### **Registration for 2020-2021**

We look forward to sharing the faith with your child in the 2020-2021 school year! Our program continues to offer faithful catechesis to all our children with regular practice in the sacraments and traditions of our Church. To register your child, please be sure to read this notice carefully.

### **Available Options for Classes**

Due to the social distancing guidelines that the State and the Diocese has in place, we have made the difficult decision that classes for the 2020-2021 religious education year will be presented online only. Our primary concern is the safety and health of the students and volunteers within our program, along with the students, staff, and faculty of St. Paul School. The time and resources it will take for our maintenance staff to complete the cleaning procedures that will be needed on a daily basis will not enable us to have in-person classes in the building.

Even though all of our classes will be online, we are offering two different learning models for 1<sup>st</sup> – 7<sup>th</sup> grades. For our 8<sup>th</sup> grade students, traditional lessons will be presented online on Monday evenings. Online lessons will be once a week and begin in early October and continue through April.

**Traditional classroom:** For K through 8<sup>th</sup> grades on Mondays only (6:00 – 6:30 pm). Students will attend online lessons which will be presented live and will also be recorded so they can be viewed anytime during the week. Weekly participation and completion of assignments will be required.

**Family Catechesis:** This program is offered to 1<sup>st</sup> through 7<sup>th</sup> grade students only. Parents will teach their child at home - one lesson a week with materials that we provide. Each grade will have an assigned catechist, who will be available online and by email to for guidance. The student and a parent are also required to participate in an online evening class (on Wednesdays) once a month to review what was taught at home and for a family lesson on a Church tradition or season: The Rosary, All Saints' Day, The Liturgical Year, Advent, etc. The student and a parent must attend this once-a-month class. These evening classes will be available online and a schedule of the topics & dates will be available at a later date.

**Textbooks:** We are also using new text series for all of our students. These new programs will enable us to offer more resources online and students will have access to videos, music, prayers, and activities for their grade through the websites. All students will receive a textbook and additional materials to use during our virtual lessons.

**For 1<sup>st</sup> – 6<sup>th</sup> grades,** we will use a new text series called Christ in Us by Sadlier Publications. This series includes a textbook and will also allow for online activities and assignments, videos, prayers, saints' biographies, music, etc. Students will be able to submit completed assignments and send messages to their catechists at any time and from any smart phone, tablet, laptop or desktop computer.

**For our 7<sup>th</sup> and 8<sup>th</sup> grade students,** we will be using Decision Point by Dynamic Catholic, which includes a textbook, videos, and guided reflection to help students who are preparing for Confirmation.
